The surrender of this letter to any Agent of Dominion Lands will serve as his authority for granting you another entry for any available quarter-section or on part of the required fee.

Should you still be indebted to the [illegible] for seed grain liability, you are only permitted to make another entry subject to the transfer of such seed grain indebtedness to the quarter-section for which you make entry under the authority of this letter.

Your obedient servant,

A.V.Harkin, Esq.,

Sir,

I have the honour of acknowledging the receipt of your letter No. 14[illegible], of the 9th October, 1907, which reached me on the 15th December, as the enclosed stamp of the Calgary Office will prove to you.

In reply to your letter I have the honour to inform you, that if I have not lived on my homestead (N.W.¼, Sec.31, Twp.26, R.3, W. of 5th Mer.) the first year that I had it, it was because I was living on my property of 80 acres which I possessed on the S.W. ¼, Sec.15, Twp.26, R.4, W. of 5th Mer.) and as a consequence I did not think I was obliged at that time to live on the homestead.

I should be grateful to you if you will give me a prompt reply, for I have work outside of the township, and I should like to be able to absent myself at once, if you have a favourable reply to my letter.

Else would it be possible for me to home-stead on both the S.W. & S.E. quarters. seeing that the two only - (which 191.7 acres between them) a considerable amount of which, being stone & bush is quite unsuitable for cultivation. I know this is more than the usual acreage 160. to 170. being customary. but I presume that it is left to the discretion of the Commissioner. This certainly I might say, would save me much writing & delay.

If you will kindly reply to these points. I would be grateful. I would much like if possible to settle down & make my home in my district. among the people to whom I minister & either of these quarters fulfil that condition. I am informed that the Govt made similar concessions in the case of Jack Fish Lake. & has. Therefore ventured to address you on the matter.

Dear Sir

I am a Ch. of England Minister appointed by the Bishop of the diocese to work in Istay & surrounding district. I am anxious to take up a homestead within the limits of my district & hope eventually to make my home here. I have been looking at quarter sections on 22 Twp. 50. Range 4. W 4th These are as yet unsurveyed & are within easy access of my work. The reason that they are still open is because a large part of each homestead falls in Kamiswitti Lake. On the enclosed map. (traced from Govt survey map dated Oct 14th 1904) you will see the S.W. quarter lacks 86·3 acres. The S.E. qr lacks 42 acres & the N.E. qr. lacks 56·5 acres (assuming that each quarter should contain 160 acres).

In these circumstances, would the Govt grant patent to a man settling on the N.E. quarter to include the 14·5 acres adjacent on the South in lieu of what is lacking on his own quarter? Providing of course that

Mr. [illegible],

[illegible] for a report in this case.

[illegible] H.A. Edwards, Church of England Catechist, [illegible] homestead entry for land described in the [illegible] tracing.

He wants fractional N.E.¼ of section 11, Township 50, Range 4, West of the 4th Meridian, with 14 acres of the South East ¼ adjoining, making in all 107.48 acres, or he would like two fractional South ½ of the section, covering 161.7, according to Lay for the excess area when he applies for patent.

This would seem to be a question as to whether the granting of such entries would confer [illegible] to the water front, or have the effect of excluding [illegible] access to [illegible] the corresponding settlers.

I would suggest that the Agent be instructed to [illegible] a report from the [illegible] Inspector on the subject

The correspondence on the attached file indicates that Mr. Carey entered for the South-East of 22, and later on, on obtaining permission to purchase the fractional West half of the Section relinquished his claim on that part of the South-East quarter North of the Lake.

Patent was issued for this land 17th of December 1912, but simply states all that portion of West half and South-East quarter of Section 22 .

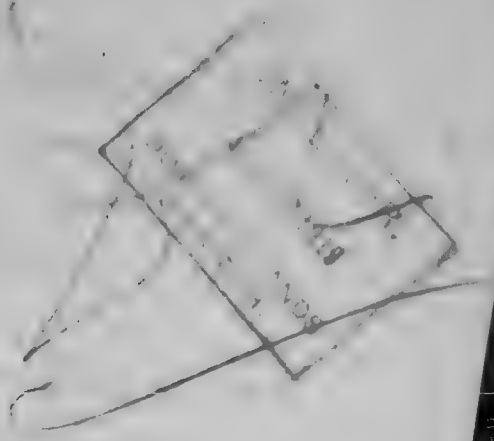

I would be glad if you would have this matter looked into and let me know exactly what land Mr. Carey now has in order that I may take any necessary action to have the records of the A. D. L. corrected.

Dear Sir

I beg to inform you that I secured an inscription for S.E 4 of 14-56-12 W. 4th lying to the and South of the lake thereon that it contained the tie... I then discovered its real area it was at the receipt of my entry fees by which I was informed that it contained only 63 acres I wrote to the Department of the Interior at Edmonton for obtaining the Legal Sub-Division 10 of Section 14 56-12 W. 4th and I am told that said fraction could not be added to my homestead without authority from the Department at Ottawa. I would consider as a signal favour that L.S. 10 be added to my homestead. Enclosed please find letter from the Department of the Interior at Edmonton Hoping to get a favourable answer,

Madam,

I am in receipt of your letter of the 11th July last, asking permission to purchase fractional Legal Subdivision 15 of Section 14, Township 56, Range 12, West of the 4th Meridian, lying to the west of the lake.

I may say that this fractional area was disposed of by sale to Mr. Joseph L. Grenier, subject to the filing of evidence of ownership to the North West quarter of the section.

From your letter it would seem that Mr. Grenier died some time ago and that his heirs are no longer interested in this fractional area, having disposed of the other lands in that vicinity that were the property of the estate.

In view of your representations, we will have the matter carefully investigated the first time we have an Inspector in the district and when his report is received you will be further advised.

Your obedient servant,

Acting Commissioner.

Mrs. J. Grenier,

Sir,

Your Reference - 157558.

You will observe from copy of a communication attached hereto from Mrs. J. Grenier of Brosseau, Alberta, that according to her representations, the heirs of the late Joseph L. Grenier are no longer interested in fractional Legal Subdivision 15 of Section 14, Township 56, Range 1, West of the 4th Meridian, lying to the west of the lake, as the property of the estate in that vicinity has been sold.

Will you please secure from the Registrar of Land Titles an Historical Abstract for the North West Quarter of Section 14, Township 56, Range 12, West of the 4th Meridian, and an Inspector might be detailed to visit fractional Legal Subdivision 15 the first time he is in that vicinity and furnish a report.

The Inspector might interview Mrs. Grenier and ascertain what lands, if any, in that vicinity she controls and the means through which she controls the property, whether by Letters Patent or some other form of document. The Abstract of Title might be forwarded to the Department with the Inspector's report.

Your obedient servant,

COMMISSIONER OF DOMINION LANDS ADMINISTRATION.

22nd June, 1920

Memorandum:

Mr. J. Harvie,
Director,
Ordnance, Admiralty &
Mineral Lands Division.

Re Frl. L.S. 15 of Sec.14-[illegible]-W.4 Mer.
area 98 acres.

By a decision confirmed on appeal the 20th January, 1919, Mrs. A. Grenier was granted permission to purchase the above described area in connection with her ownership of the W.½ of Section 14.

In September last Mrs. Grenier, [illegible], Alta., applied to purchase this area stating that Mr. Jos. L. Grenier had died some time ago and that his heirs were no longer interested in the land.

To secure from the Registrar, Land Titles office, a historical abstract for the W.½ 14 and to have an inspector visit the area applied for and furnish a report.

The historical abstract shows the land to have been transferred to the Canada Trust Co. on the 4th January, 1909, by duplicate certificate of title No. 142-K-67 [illegible]. The inspector in his report dated the 16th December last states:-

"As Mr. Ambrose Grey of Penryn [illegible] owns the W.¼ quarter of 15 and has the above fraction enclosed in his field I would recommend that he be allowed to purchase same at $5.00 per acre so as to get access to the lake.

Personally that Mrs. Grenier's application be cancelled".

As the inspector did not state what land, if any, in the vicinity was controlled by Mrs. Grenier he was asked for a supplementary report which report reads as follows:-

"Mrs. Grenier informed me that she owns the S.E.14 through purchase.

Mr. A. Gray owns the W.½ 14 through purchase and has the above fraction adjoining enclosed by his fence in order to get access to the water.

Mrs. Grenier has lots of water all[illegible] the S.E.14. It was a mistake on my part stating that Mr. Gray owns the W.½."

Sir:

Adverting to your application to purchase fractional Legal Subdivision 15 of Section 14, Township 56, Range 12, West of the 4th Meridian, I beg to advise you that it has been decided to permit you to purchase the area containing 20 acres at the rate of $5.00 per acre.

The sale will be subject to your filing with the Department evidence that you are the registered owner of the N.E. ¼ of Section 14. Such evidence may be either in the form of an abstract of title or duplicate certificate of title which latter, if forwarded, will be returned after having served the purpose of the Department. An abstract of title may be secured from the Registrar, Land Titles Office, Edmonton.

Either the whole of the purchase money should be forwarded to the Agent of Dominion Lands, Edmonton, to whom a copy of this letter is being sent for his information, on or before the 31st August next, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. Overdue instalments will be subject to interest at the rate of 7% per annum.

Should a further survey be made of the parcel in question before the issue of patent the area which may be shown on the new edition of the township plan will constitute the basis of the sale.

I may add that the sale in this case will be subject to the right of the Province to take for road purposes without compensation prior to the issue of patent such land as may be required not to exceed two and one-half per cent. of the total area, and likewise subject to the right of the Province to take such area as may be required for right-of-way in connection with drainage projects not to exceed one per cent. of the total area. In the event of a deduction in area being made for either or both of these purposes, the account will be adjusted accordingly.

Memo to Mr. Cole

Rev. F. B. Lewis was addressed on the 2nd inst. respecting the appln. of the ratepayers of his district for a cemetery grant, that it could be made either to a Cemetery Co., a Church or a Municipality, evidence of incorporation of which should be filed here.

Mr. Lewis now asks if the term Municipality would not extend to a Local Improvement District & if a patent could not be granted to trustees of the District.

Perhaps you will like to have Mr. Rothwell's opinion in this matter?

Sir,-

With reference to the letter of Mr. Deputy of the 16th inst.- 146'659 - with the object of the application of the Local Improvement District 24 - W - 4 for land for cemetery purposes, I have the honour to point out that the Local Improvement Ordinance referred to, namely chapter 24 of 1903 does not authorize the councillors of the district to hold land for such purposes, nor if I am correct in this can the authority of councillors to hold or acquire the lands in question. The Territory Ordinance, chapter 61, section 7 of the consolidated Ordinances of the North West Territories, 1898, provides for the incorporation of Boards of trustees to have lands for the purpose of a cemetery, and this ordinance applies to the district referred to. I suggest that you call the attention of the applicants to the matter. The resolution of the Council referred to in the letter of Mr. Deputy of the 6th July last will not be sufficient to enable the councillors or [illegible] for the purpose of holding lands for a cemetery.

Sir,

I beg to acknowledge receipt of your favor under date of Feby 20th, #1468659, re S W 30-47-11-W4, being fraction of same desired for a cemetery site.

I might say that this land was applied for, and our application granted in 1911, while we were working as Local Improvement District 24-H-4. On July 6th 1911 I sent you our cheque for $11.25 to cover the filing fee and I was advised that the patent would be forthcoming, but I received a letter at a later date to the effect that we must ordanize a cemetery accosiation or else become a corporation ourselves. To this I replied that we expected to be organized as a municipality soo. Unfortunately we failed to do so last year, but did organize this fall.

I am enclosing a copy of the document under which we are now working as a municipality, this being our only authority, and I would ask you to kindly return this to us- without fail- as soon as you are finished with it.

Trusting that this document, and the explanations I have give. you will be sufficient for us to obtain our patent without further delay. I am, Sir, Yours faithfully,

Sir;

In reply to your letter of the 27th. April, file #146865, I note that your department is now in a position to grant title to this land for a cemetery site.

I would say that at the time the application for this fraction was made the plans only showed the 8 acres, and it was our intention to secure the entire fraction. If it is possible to alter the application and have the Order in Council to include the total acreage now included in this fraction I am sure it would be very much appreciated. The way this land is situated would make the balance undesirable for any other purpose, and it would be cut off from section 19 on the south by the road. The waters of this lake are not suitable for watering cattle at any time of the year as it is very strong of alkalie and has a bad odor. The lake would be accessible to the public on all the west end at present as the road has been surveyed around the west shore. The same would be applicable to the east end when a road is opened. Anything that you could do to this end would be Appreciated.

I have marked on the sketch enclosed the location of the part we would select for this purpose providing we were unable to secure the entire fraction. As for giving the measurements would say that this would be rather difficult I believe as the corner post of the section is , or would be in the water. The land is in a bowel piece and I think it would be easier for your department to make the allotment from your figures and plans there.

Thanking you for your interest in the matter, I am, Sir

Your obedient servant,

Sir;

Re Pt. S.W. 30-47-11 W4. Cemetery site-Crown to R.M.#454.

Your letter of 16th Oct., 1916, #1468659 states that you will grant the exchange of the former grant to another grant;-- viz, 8 acres comprised in a strip of land 4 chains wide ang 20 chains 8 links long along the south boundary measured from the southeast corner when the first mentioned grant is revested in the Crown.

In reply to your letter of 23rd November, #1462659. I am enclosing the Certificate of Title to revest the former grant in the Crown in the right of the Dominion, as requested.

There has been some delay in the matter owing to a clause in the Rural Municipal Ordinance, but it was shown that this did not apply to the circumstances, therefore I trust you will be able to let us have title to the second grant at an early date as we desire to have the site improved and opened to the public this spring. I would say that the Dom. Land Surveyor from Edmonton was good enough to survey the new site for us last fall and we only require the new Title.

On behalf of the council I thank you for having this change made, as it is a far more suitable place for the site of a cemetery
